Applying for extensions to your permits

If you need to extend the period of your permit after it has been approved, you will need to apply for a new permit, please submit your request for an extension in good time to allow for it to be considered.

Please note that the start and finish dates for permits will be determined by a Roads Officer in consultation with the applicant. The applicant will be obliged to keep the Council informed of any changes, and fines may be levied for a failure to do so.

*** Note that fees and charges may change, typically on the 1st April of each year, so new application fees may be charged before the online information is updated. You will be charged the appropriate fee. ~TTRO/N price changes will come in on 1st April 2025.

~Please note that these are the **minimum** notice periods to allow Roads Officers to review, coordinate and approve your works. From the 1st September 2025 a 25% surcharge will apply to all applications received within these minimum notice periods.
